## FROM THE DIRECTOR

Hello Littlefork!

September has been a very busy month with rolling out youth sports and everything that it entails (getting practices in order, scheduling/coordinating games, tournaments and pictures). Additionally, we offered Firearm Safety and had a total of 10 kids sign up, with 8 of them being able to participate after it was moved to International Falls.

September is not over yet however, October is right around the corner, and we have more fun events, programs and activities coming!

Here are some avenues of how you can stay in the loop of what's coming:

1. **Facebook:** City of Littlefork Page
2. **Handouts:** Check your child's folder and school bag to see if they have any handouts.
3. **Bulletin Board:** There are two bulletin boards, one at TruStar and another at the post office. I regularly post events on these boards.
4. **City of Littlefork Website:** You can see any upcoming event on the City of Littlefork website under the CERC page by looking at the registration forms that are present.

One event that I would like to talk about is the upcoming Community/Family Game Night. Please note, the one that was printed in the CERC Booklet has been canceled BUT please join us in October for our first ever family game night at the Community Building! There will be a variety of games for all ages as well as a book swap for your child. Simply bring a book and swap it out for a "new" used one.

I continue to have one ask of parents, school officials and community members and that is to extend grace. I am still very new to the area, let alone to this position. While I'm highly educated, I did not grow up here nor did I attend the school district. I am learning your ways of how you do things, and I just ask for kindness and grace to be extended back. If you have a question or need to bring something to my attention, please directly reach out to me. We are all humans, and no one is perfect. I know I must gain your trust and I'm hoping that in time I'll prove to you, as a whole community, that you can trust me as you see my various skills that I will bring to CERC.

Kindly,  
Tiffany Dobbs | CERC Director
